

Communication with parents

We welcome you as parents into school at the start and end of the day.

We provide home communication diaries to encourage positive liaison between home and school.

Parents receive weekly newsletters, 'JPSeven'.

Parents have access to a school website.

There are termly parents evenings where home and school can share the successes and developments of your child.

We send home termly overviews, sharing the children's learning objectives with you.

A school report and learning targets are sent home twice yearly.

Parents are welcome into school to share expertise and join in with structured activities.

We encourage an open, positive and caring partnership between home and school. We value your expertise.

100 Languages of a child (Reggio Emilia)

The child is made of one hundred.
The child has a hundred languages,
a hundred hands,
a hundred thoughts.

A hundred ways of thinking,
of playing
of speaking.

A hundred, always a hundred ways of
listening,
of marveling,
of loving.

A hundred joys for singing and understanding.

A hundred worlds to discover.

A hundred worlds to invent.

A hundred worlds to dream.
